Dear Mr. Loflin:

Please be advised that the New Jersey Department of Labor and Workforce Development and the New Jersey Department of Education have issued private vocational school approval for the period of July 6, 2010 through June 30, 2011. As per the rules of New Jersey Administrative Code for the registration and regulation of private vocational schools (N.J.A.C. 12:41-1.1 et seq.), each school shall display a copy of its approval letter until such time as the Certificate of Approval is issued under separate cover.

As a reminder, it is your responsibility to notify the Department of Labor and Workforce Development in advance of the following actions: change in school location or school ownership, new and revised programs (including curricula modifications and changes in tuition/fees), hiring of new staff, establishment of another school site and change in director(s) in order to facilitate the required additional approvals. For further information, please call the Division of One-Stop Coordination and Support's School Approval Unit at 609-984-5262.

Thank you for your continued support of private vocational school education.

Sincerely,

Gary Altman, Acting Assistant Commissioner
